

Milk Program: Making Memories

ASELSI Chichicastenango, Guatemala

August, 2009

Dear Friends,

Today I met a woman whose name is Sebastiana. I thought she was probably around 40 years old or so, but as she told us her story I was surprised. Sebastiana is only 30 years old, but she is pregnant for the tenth time. She had her first child when she was just fourteen. At fifteen months old, little Luis is no longer getting the nourishment that he needs because of his mother's pregnancy. His father works in the fields but cannot make enough money to be

able to buy the milk that Luis so desperately needs. Thanks to your donations, we are able to provide milk and vitamins for little Luis and lighten his mother's burden a little bit; we pray that the Lord gives Sebastiana strength and wisdom with such great responsibilities.

Another one of the children we are concerned about is baby Gloria. Gloria came to us when she was just one month old. Her father had abandoned her mother, who was desperate to find help. Gloria is one of our cleft palate babies; without emotional and financial help, she would either die very young or grow up to have a miserable life. Soon Gloria will be taken to get her first surgery. When asked what religion she believes in, her mother, Josefina, said she has no faith. Please pray for Gloria and for her mother Josefina that she would know Christ and that He would meet their every need.

For those who remember Juanito from February's newsletter, please be encouraged that he is getting better, but he does still need continuing prayer. Thank you for all who give and all who pray! We appreciate you...more than you know.

Contributions may be sent by:
Check - should be made out to "Christian Fellowship Church";
designate on the check memo "Guatemala Milk Program". All
donations made out to Christian Fellowship Church are tax-deductible.
Please send the check to:
