

ILIO Picnic

October 2008

We recently gathered together for a picnic with our students to celebrate the end of the school year and so that we could get to know each other and our families a little better. It was a super fun day and awesome to see the families playing together and enjoying each other.

We had a time for children and adults to break piñatas and many

more games. One of them was to wrap a team

member up like a mummy. At the end, we all enjoyed a delicious

lunch together. It was a very happy and special day as the photos say better than I.
