

A special gift was given in your honor to help ASELSI minister to the Mayan community through the Father's Heart Medical Clinic. The Clinic provides free medical exams, medicine, and prayer to adults, infants and children.

This donation to the Eye Clinic will provide free cataract surgery. A surgical team from the capital visits to perform these much needed surgeries. This gift helps with their transportation costs as well as medications and supplies needed to bring sight to those who have lost their vision!

This gift is from:

The Vision of ASELSI

ASELSI's vision is to have Bible-equipped, indigenous pastors leading healthy churches that embody in word and deed the good news of Jesus Christ to their culture, compassionately serving the practical, physical and spiritual needs of "the least of these" in their community and beyond.

Find out more about ASELSI on our website:

SENDING A SPECIAL GIFT FOR YOU!

"whatever you did for one of the least of these... you did for me"

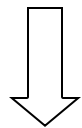

Jesus, Matthew 25:40

ASELSI Ministries International

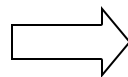

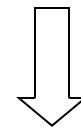

is located in the mountains of Guatemala with a population of over 137,000 in the Chichicastenango area. 90% of the population is Mayan, with 85% of the people living in one of the 84 rural communities.

Many women and unschooled children here only speak the native language K'iche' and the illiteracy rate is 45%. The majority of pastors and leaders in Chichi have a third grade education or less.

29% percent of the population lives in *extreme* poverty, and most of the people feel the effects of sickness, abuse, drunkenness, destructive rituals, lack of education and corruption.

1. First fold on this line with the printed side facing out

2. Then fold on this line so that the gift box picture is the first page.
