SENDING A SPECIAL GIFT FOR YOU!

"whatever you did for one of the least of these... you did for me"

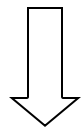

Jesus, Matthew 25:40

ASELSI Ministries International

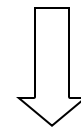

is located in the mountains of Guatemala with a population of over 137,000 in the Chichicastenango area. 90% of the population is Mayan, with 85% of the people living in one of the 84 rural communities.

Many women and unschooled children here only speak the native language K'iche' and the illiteracy rate is 45%. The majority of pastors and leaders in Chichi have a third grade education or less.

29% percent of the population lives in *extreme* poverty, and most of the people feel the effects of sickness, abuse, drunkenness, destructive rituals, lack of education and corruption.
