

Dear
A special gift was given in your honor to help replace the roof on the Hospitality House at ASELSI.

Completed in 2009, the Hospitality House has hosted hundreds of visitors who come to ASELSI to minister and serve. Recently the roof began to leak during a heavy rainstorm, and the engineers say the whole roof must be replaced. This gift will allow others to stay in the comfort of this welcoming space.

This gift is from:

The Vision of ASELSI

ASELSI's vision is to have Bible-equipped, indigenous pastors leading healthy churches that embody in word and deed the good news of Jesus Christ to their culture, compassionately serving the practical, physical and spiritual needs of "the least of these" in their community and beyond.

SENDING A SPECIAL GIFT FOR YOU!

"whatever you did for one of the least of these... you did for me"

Jesus, Matthew 25:40

ASELSI Ministries International is located in the mountains of Guatemala with a population of over 137,000 in the Chichicastenango area. 90% of the population is Mayan, with 85% of the people living in one of the 84 rural communities.

Many women and unschooled children here only speak the native language K'iche' and the illiteracy rate is 45%. The majority of pastors and leaders in Chichi have a third grade education or less.

29% percent of the population lives in *extreme* poverty, and most of the people feel the effects of sickness, abuse, drunkenness, destructive rituals, lack of education and corruption.
