A special gift was given in your honor to help to sponsor a young **Guatemalan intern.** This gift will allow him or her to spend a year learning all aspects of ministering at ASELSI, working alongside the missionaries and local staff. This is a great opportunity for a young adult to discover his or her own gifts for ministry.

The Vision of ASELSI

ASELSI's vision is to have Bible-equipped, indigenous pastors leading healthy churches that embody in word and deed the good news of Jesus Christ to their culture, compassionately serving the practical, physical and spiritual needs of "the least of these" in their community and beyond.

SENDING A SPECIAL GIFT FOR YOU!

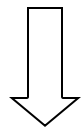

"whatever you did for one of the least of these... you did for me"

Jesus, Matthew 25:40

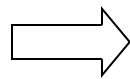

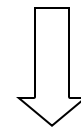

ASELSI Ministries International is located in the mountains of Guatemala with a population of over 137,000 in the Chichicastenango area. 90% of the population is Mayan, with 85% of the people living in one of the 84 rural communities.

Many women and unschooled children here only speak the native language K'iche' and the illiteracy rate is 45%. The majority of pastors and leaders in Chichi have a third grade education or less.

29% percent of the population lives in *extreme* poverty, and most of the people feel the effects of sickness, abuse, drunkenness, destructive rituals, lack of education and corruption.
