Dear

ASELSI Ministries International

is located in the mountains of Guatemala with a population of
 over 137,000 in the Chichicastenango area. 90% of the
 population is Mayan, with 85% of the people living in one of
 the 84 rural communities.

Many women and unschooled children here only speak the
 native language K'iche' and the illiteracy rate is 45%. The
 majority of pastors and leaders in Chichi have a third
 grade education or less.

29% percent of the population lives in *extreme* poverty, and
 most of the people feel the effects of sickness, abuse,
 drunkenness, destructive rituals, lack of education and
 corruption.

The Vision of ASELSI

*ASELSI's vision is to have Bible-equipped, indigenous
 pastors leading healthy churches that embody in word and
 deed the good news of Jesus Christ to their culture,
 compassionately serving the practical, physical and spiritual
 needs of "the least of these" in their community and beyond.*
